

Ordering blinds for the Skylight window could not be easier, on most occasions you don't even have to measure. On the frame of your window there will be a plate detailing the window code. Use the information below to find the code and order online.

Locating Your Aurora Window Code

On the frame of your window locate the plate shown below. The 2nd 3 digit text is your window code.

If you can't find your window code plate, first make sure you have an Aurora window, then use the table below to find your window code from the visible glass size. Alternatively give us a call on 0161 451 0290 and we will be happy to help you.
