

Ordering blinds for your Skylight couldn't be easier, on most occasions you don't even have to measure. On the frame of your window there will be a plate detailing the window code. Use the information below to find the code and order online.

### Locating Your OptiLight® Code

The product plate will look something like this. Note down the numbers referring to the frame size as shown below, ignoring the letters.

OptiLight® use the same frame sizes as Fakro so may have a similar plate.

If you can't find your window code plate first make sure you definitely have an OptiLight® Window, then use the table below to find your window code from the visible glass size. Alternatively please give us a call on 0161 451 0290 and we will be happy to help you.
